

Class of 2004:

Five years have passed since we all gathered in Athens. No doubt each of us have faced challenges and enjoyed accomplishments. Our classmates have founded law firms, changed jobs, changed careers, travelled the world, gotten married -- sometimes to each other, had children, had grandchildren, and more. Many of us have already struggled with key issues facing our generation, such as effective brief writing (how do I express *me* in 140 characters?), oral arguments (why can't the Gosselins just get along?), and the judiciary (can anyone fill the shoes of Paula Abdul?). In short, it's been a crazy five years!

Fortunately, we have reached a common milestone: five years as School of Law alums. And, there is no better way to celebrate than to reconnect with the people who started this journey with us five years ago! We hope you'll agree and mark your calendar to join us in Athens for Law Dawg Reunion & Homecoming Weekend - - **November 6 & 7, 2009**.

On Friday evening, there will be a cocktail buffet by candlelight on the quad in front of the law school from 6:30 to 9:00 p.m. Later that night, we will meet informally downtown at the Winery. Saturday is game day, and the annual Homecoming BBQ will be held at the law school before the game. The law school was able to secure a block of football tickets for reunion classes so that we can enjoy the game together.

The enclosed materials will provide you with more information. Please register by no later than October 30, 2009 so that we can have an accurate headcount for the caterers. Complete the enclosed information form and return it with your registration so that we can compile a directory of our class. Also, remember to make your hotel reservations as soon as possible. Hotel rooms are scarce in Athens on game weekends. The law school has reserved rooms all over town but reservations are strictly first-come, first-served.

We look forward to seeing you in Athens this Fall!
