**Petition for Classification as In-State for Tuition Purposes**  
**THIS FORM IS FOR LAW STUDENTS ONLY**

Financially independent law students who intend to remain in Georgia upon completion of their legal studies should complete and submit this petition. To be eligible for classification as in-state for tuition purposes, petitioners must be U.S. citizens or U.S. Permanent Residents who can establish by clear and convincing evidence that they have abandoned their out-of-state domicile and have established legal residence in Georgia.

To ensure consideration of petitions prior to initial fee payment deadlines, completed petitions and supporting material should be submitted to the School of Law Admissions Office by **July 1 for the fall semester** and **November 1 for the spring semester**. In addition, you should change your current and permanent contact information in Athena (athena.uga.edu) to your local Athens address and do not include an end date. Do not use this petition for the summer semester. Contact the School of Law Admissions Office (706-542-7060) for information about in-state classification for summer law classes.

Petitions may be accepted after the deadlines, but no petition will be accepted more than sixty (60) days after the term begins. Those whose petitions are received and are approved after the fee payment deadline will receive a refund of any out-of-state differential paid. Petitions will not be considered for prior semesters.

**Required Documents**

Provide the following documents **in order** in support of this petition. If you cannot provide one or more of the documents listed below, please note which document(s) and explain the reason(s) for not providing the document(s) in the space below.

- 1) A statement covering all facts and circumstances that establish your domicile in Georgia. Make sure to include whether you plan to take the Georgia Bar Examination and remain in Georgia after graduation.

- 2) Complete documentation for all the financial support you list in Section Four a) of this petition. A screen shot of your financial aid award account in Athena is the best way to document loans and scholarships. Instructions for how to capture the correct screenshot can be found at the end of this petition and online at: [www.law.uga.edu/georgia-residency](http://www.law.uga.edu/georgia-residency).
- 3) The first page of your Georgia income tax return for the most recent tax year (Form 500). If you have abandoned your out-of-state domicile, you will use your local Georgia address as your permanent address on your tax form.\*
- 4) The first page of your federal income tax return for the most recent tax year. If you have abandoned your out-of-state domicile, you will use your local Georgia address as your permanent address on your tax form.\*
- 5) Copy of your W2 form(s) for the most recent tax year.\*
- 6) Copy of your warranty deed, apartment lease, or other proof of domicile in Georgia for the past 12 months. The first page of an apartment lease (or page documenting the start date and length of the lease) is sufficient.

- 8) If you own a vehicle, provide a copy of your Georgia vehicle registration. If you do not own a vehicle, please include this information in your statement.
