

Verner F. Chaffin Society

Individuals who support the University of Georgia School of Law with a planned gift are members of the Verner F. Chaffin Society. A planned gift can be made in a variety of ways but some of the most common and effective tools include the assignment of a life insurance policy, a retirement plan asset, a charitable gift annuity or through an outright bequest in a Will.

This society was created to honor and recognize law alumnus and Fuller E. Callaway Chair Emeritus Verner F. Chaffin (LL.B.'42). Joining the faculty of the School of Law in 1958, Chaffin specialized in the fields of wills and trusts, federal estate and gift taxation, future interests, estate planning and administration of decedents' estates and trusts. While noted for his excellence in scholarship, Dr. Chaffin was always a favorite among students. The Verner F. Chaffin Society recognizes not only Dr. Chaffin's contributions to his field of legal expertise, but his long service to his alma mater as an alumnus and his generous level of financial support (both currently and with his own planned gift) to the School of Law.

Eligibility: To be eligible for membership in the Verner F. Chaffin Society, donors must notify the School of Law in writing of their charitable intent in favor of the UGA Foundation for the benefit of the School of Law. For your convenience, a Statement of Future Gifts form is available at www.law.uga.edu/ways-make-gift.

Gifts for any amount may be directed to a particular purpose at the School of Law, such as the Law School Fund, endowed scholarships, faculty funds, law library accounts or left unrestricted to enhance our mission of educating the next generation of lawyers and leaders.

If you would like further information about the Verner F. Chaffin Society, please contact the Office of Law School Advancement at (706) 542-7959 or lawgifts@uga.edu.
