2. Best resources to consult when considering how to allocate your points:

- a. Please watch the <u>Point Allocation 101 video</u> on the **JD Advising Hub** to fully understand how we use your points once they are submitted.
- b. Historical Point Allocation Information
 - i. Point allocation from the previous Fall (Fall 2022), listed on the Class Schedules & Registration page.
 - ii. Point allocation back to 2009
 - iii. The number of points any given course will require for permission to enroll vary from year-toyear. **PREVIOUS POINT ALLOCATION INFORMATION A GUIDE – NOT A GUARANTEE!**
- c. Peer Mentors and advice of other upper-class students
- d. Rule of thumb bid the most points on small classes, high-demand classes, and classes that you are most interested in taking. It is easy to become wrapped up in the strategy of point allocation consult the resources listed, use your good judgment, and let the chips fall as they may.

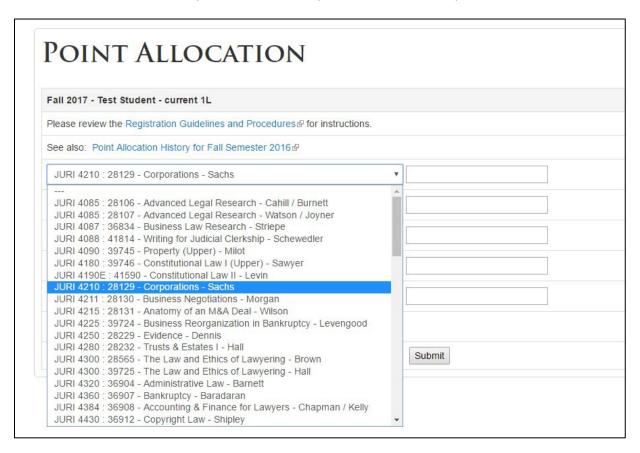

3. Follow the instructions below carefully. Once you submit your point allocation in My Georgia Law it is final and cannot be changed!

Please note that the all screenshots shown are only examples. They do not reflect correct information regarding course availability or true point allocation results.

Step 6 – April 17 to April 20: View Point Allocation Results and Open Classes

Please note that the all screenshots shown are only examples. They do not reflect correct information regarding course availability or true point allocation results.

- 1. Point allocation results will become available in the My Georgia Law Portal on or before April 20. An announcement will be sent via listsery when results are available. Click the "Point Allocation" tab in the top menu.
 - a. When you view your point allocation results, one of three results will show:
 - i. "Eligible to Register" = you allocated enough points to "win" a spot in that class. You are permitted to enroll in that class during Registration.
 - ii. "Waitlist, not eligible to register" = you did not allocate enough points to "win" a spot in this class. You are not permitted to enroll in that class during Registration. You are on the waitlist.
 - iii. "Not eligible to register" means you did not allocated enough points to "win" a spot in this class nor did you allocate enough points to be placed on a waitlist.
- 2. "OPEN" classes are classes that did not fill during point allocation. YOU MAY ADD ANY "OPEN" CLASS DURING REGISTRATION, REGARDLESS IF YOU ALLOCATED POINTS TO THE "OPEN" CLASS.
 - a. Look at the Course List for info on which classes are "OPEN". Course List on the Class Schedules and Registration page. The last column lists:
 - i. "Closed" or "Permission Only" = either filled during point allocation or require special permission to register.
 - ii. "OPEN" = you can add that class during registration without any additional permissions during registration
 - 1. Most students do not "Win Bid" on every class for which they allocate points. Use "OPEN" classes to replace those courses for which you are not eligible to register for through point allocation.

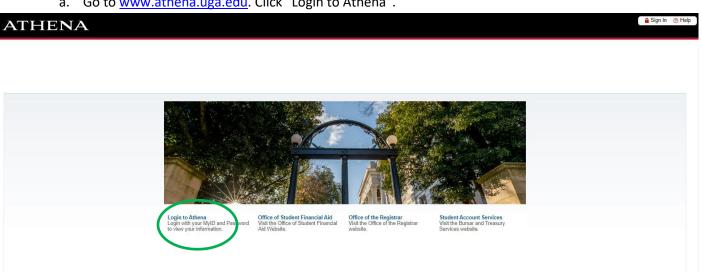

Step 7 – April 21 to May 19: Register for Fall Courses.

Registration begins Friday, April 21 and ends at 4:00 pm Friday, May 19.

The timing of your registration within the designated period is unimportant. No advantage to registering first.

However, you must register before the 4:00pm deadline on Friday, May 19. If you do not register for your classes in Athena prior to the deadline eligibility based on point allocation expires. No exceptions.

- 1. Gather CRN numbers for the courses you plan to register for from the relevant Course List, listed on the Class Schedules & Registration page.
 - a. CLINICAL COURSES HAVE 2 RELEVANT CRN NUMBERS. One for lecture/seminar portion of the course, and one for the clinical/work placement portion. YOU MUST REGISTER FOR BOTH CRNS. YOU MUST REGISTER EQUALLY FOR BOTH CRNS.
 - i. For example, you cannot register for 2 hours of the lecture/seminar CRN and 3 of the clinical/work placement CRN - you must register for 2.5 and 2.5. Total number of hours will vary, but no matter how many hours, THEY MUST BE SPLIT EQUALLY.
 - ii. Athena will show the default credit hours for most clinical courses as 1 credit hour. You must ADJUST THE CREDIT HOURS IN ATHENA. See: https://reg.uga.edu/enrollment-andregistration/registration/Adjusting Credit Hours on a Variable Hour Course.pdf
- 2. Check the Class Schedules & Registration page for changes/updates to the schedule you may have missed. Occasionally courses are added or dropped from the schedule. It is unusual for a course to be removed once posted on the schedule, but is possible in rare circumstances. Make note of the update dates next to the schedule documents.
 - a. DO NOT BOOKMARK the webpage containing the pdf schedules and course lists. If we update the schedule a NEW url is created, so you should ALWAYS navigate through the "Class Schedules and Registration" page. Your web browser search feature may also lead you to a cached, out of date version.
- 3. Login to Athena and Register for Classes.
 - a. Go to www.athena.uga.edu. Click "Login to Athena".

- a. Enter your UGA MyID (same as the beginning part of your email address) and password (same as your UGA email password) and login.
- b. Click "Student" tab to be taken to the Student Services menu, then click on the "Student & Registration" section header to have all options drop down.
- c. Select "Registration".
- d. Check for "Flags" or "Holds". Flags and holds result from failure to fulfill an obligation (e.g., failure to pay a parking ticket or other University-related fine or bill. A flag must be removed by the appropriate University official before you can register. You can check for flags and holds by clicking on the "Prepare for Registration" section.
- e. To register click "Register for Classes".
- f. Select the correct term and click "continue".
- g. Search for courses. It is HIGHLY recommended that you **DO NOT search courses by JURI number**. Please search for classes using the CRN number located on the course list. Please note that there may be multiple CRNs for the same JURI course (these indicate different sections for JD, LL.M., MSL, or other student classifications). Searching by JURI number can easily result in an incorrect registration! By searching and enrolling by CRN number, you can ensure you are selecting the correct section.
- h. Click "Add" next to the course for which you would like to enroll. **Please note that you will NOT actually be registered for the course until you select the "SUBMIT" button at the bottom of the screen.
- i. You can continue to drop and add courses at any time during the Registration, Schedule Adjustment, and Drop/Add periods.
 - i. If you are attempting to add an "OPEN" class and you receive an error message, contact the Law Registrar, Dr. Paula McBride (mcbride1@uga.edu) for assistance.
 - ii. Rely on the information listed in the Course List regarding # spots available in a class, not Athena. Information in Athena regarding spots available in a course is not applicable or accurate.
- j. For FULL instructions on how to navigate Athena and register for classes please see the Athena Tutorials and FAQs at https://reg.uga.edu/general-information/athena-upgrades/faq/

Step 8 - May 26 to August 21: Schedule Adjustment and Drop/Add

1. Schedule Adjustment: May 26 – August 14

- a. If you failed to register during Registration, or want to make adjustments after Registration, you make adjustments at this time.
- b. Make sure to check the updated Course List on the <u>Class Schedules & Registration page</u> and the <u>Course Schedules & Updates Page</u> before attempting to make any adjustments.
- c. Only those courses listed as "OPEN" on the *updated Course List* when Schedule Adjustment begins can be added.
 - i. If you attempt to add a course listed as "OPEN" and you receive an error message, contact the Law Registrar, Dr. Paula McBride at mcbride1@uga.edu.
 - ii. Rely on the information listed in the Course List regarding # spots available in a class, not Athena. Information in Athena regarding spots available in a course is not applicable or accurate.

2. Drop/Add: August 15 – August 21

- a. You may drop classes and add OPEN classes just as you would during Schedule adjustment.
- b. Your schedule is final after August 21.

INFO: Waitlists and Lotteries.

- 1. Waitlist priority is based upon points bid. You are automatically added to the waitlist for classes for which you bid points but did not "Win Bid" during Point Allocation. Waitlists are maintained for courses which fill during point allocation until the end of Drop/Add.
 - a. If a spot becomes available in a closed course, the Law School Registrar Office will contact the next student on the waitlist at their UGA e-mail address, and that student has 24 hours to confirm that they would like to register for the course for which they were previously waitlisted.
 - b. If a student fails to respond to that e-mail or the student responds declining a spot in the course, the spot will be offered to the student who is next on the waitlist.
 - c. Waitlists are run manually by the Law Registrar, and are not run automatically through Athena.
 - d. Do not harass Dr. McBride or Ms. Amanda Fox regarding waitlists they will contact you.
 - e. Professor permission does not override a waitlist.
 - f. Contact the Law Registrar, Dr. Paula McBride (mcbride1@uga.edu) and request to be added to a waitlist for a closed course that you did not bid points on. You will be added to the bottom of that course's waitlist.
- 2. Lotteries happen when a course that was "OPEN" going into Registration, Schedule Adjustment, or Drop/Add overfills during that period. Lotteries are rare.
 - a. Students who bid points on a course and added that course during Registration are not included in lotteries they are guaranteed a spot in the course.
 - b. If a lottery has to take place, it will happen soon after the Registration Period and/or Schedule Adjustment period ends.
 - c. If you are required to drop a class you will be contacted by the Law Registrar, Dr. Paula McBride.
